A Home that Amplifies
Bali's Nature Harmony

A resort-feel-like heaven inspired by Jimbaran's natural abundance. Each material is carefully chosen from Bali's local resources to embody the island's exquisite environmental heritage.

A secluded sanctuary surrounded by lush scape of greeneries evokes calmness in the mind. Enhancing the gentleness of life to live at ease and at peace.

A carefully crafted finery,

A Gift of Essence

The genuine contentment of living for those who truly seek the pleasure of life's luxurious essence, Bali's very own exquisite harmony to live and grow with. Where leisure always felt at heart, lush tranquil nurtures creativity, and liveliness never out of mind or out of sight.

Greenwoods
Building Homes and Communities

Greenwoods is more than just a brand of our residential projects. It is a modern living concept we share with our customers, with it we thrive to create your dream home. Greenwoods also means balance, between success and composure, between bold and natural, it is understated statement of achievement.

Through 20 years of continuous development and innovation, Greenwoods has created 50+ projects in major capital cities in Java, Bali, Australia, and Japan. With the initiation of Damara Projects, Damara Estate Jimbaran Hijau became a flower to bloom Greenwoods's vision of offering the luxury of an elevated lifestyle to the good-life connoisseurs.

a true investment of a good life

Jimbaran Hijau

Jimbaran Hijau is an integrated development aiming to serve growing Bali as live, work, play, and learn destination to make new mark-on inclusive, vibrant, creative, community oriented village with green and healthy lifestyle.

Thoughtfully Designed Residence
Celebrating Life's Essence

Location
Jimbaran, South Kuta, Badung Regency, Bali

Angling Rasnindityo's thoughtfulness in his craftsmanship led to numerous architectural works that amplify the liveliness and essence of life, especially homes, his design enchantment capable of making the most of the users' lifestyle.
