Sapphire By The Gardens is being delivered by two of Australia's leading architectural practices and one of the region's most respected international property developer.

THE DEVELOPER

S P Setia creates projects of distinction through timeless, considered design. Widely known and respected as a market leader in property development in Malaysia, S P Setia is rapidly forging an international reputation as a forward thinking and innovative developer. Specialising in luxurious residential developments, S P Setia's benchmark projects in Melbourne include Fulton Lane, Parque Melbourne, Maison Carnegie and Marque Prahran.

ARCHITECTURE & INTERIOR DESIGN

Cox Architecture has a proud history of carefully conceived and crafted projects delivered globally across a broad range of scales and typologies. Architecture should enrich the cities and lives of those within them, so an acute awareness of community, context and history expressed through clear and honest solutions has always been at the core of the Cox ethos.

Since its inception, Cox has developed a reputation for innovative and exciting design, with projects both current and completed throughout Australia, Malaysia, China, Indonesia, Thailand, Papua New Guinea and Singapore. Whilst the Group's success is evidenced by the numerous national and international awards, the belief remains that architectural excellence is only achieved through teamwork and problem solving through collaboration with our clients and partners.

ARCHITECTURE

FENDER KATSALIDIS ARCHITECTS

Based in Melbourne but working across Australia and internationally, the work of Fender Katsalidis has a unified thread: an intense exploration of the spirit of each place where the studio works, and how its architects can understand, enhance and invigorate those qualities. Recent highly successful projects include the NewActon precinct in Canberra, Australia's tallest building, Eureka Tower in Melbourne, and cultural icons such as MONA in Hobart.
